ORDERING INFORMATION

Each book is identified by name, author, year published, number of pages (p) and price. "IL" stands for illustrated and "pb" for paperback where applicable. Condition of each book is identified as follows: (E) Excellent, (VG) Very Good, (G) Good, (F) Fair, (P) Poor. "Bi" and "Pg" refer to binding and pages respectively.

Because we specialize in used and out-of-print books, we frequently have only one or two copies of many of our titles. Refunds are made for books that are no longer available. Books reserved by telephone are held for our customers, and then are mailed as soon as possible after receipt of payment. Books for which payment has not been received after fifteen days are made available for sale to other customers.

Books in Print: In addition to our used books we also offer a

selection of new books, primarily reprints of formerly out-of-print works. New books are listed in our section "Books in Print." Discounts on quantity orders (applies only to books in print, not to used and out-of-print books) are available: 10% on orders of three or more copies, 20% for ten or more. Larger discounts are available to bookstores.

Printed Catalog & Web Site: Our printed catalog offers many of our newly acquired titles, while our web site contains much of the cataloged inventory that does not appear in the most recent printed catalog. We invite you to examine each of these inventory lists – the printed catalog because it offers the most recent acquisitions, and the web site because of its more extensive listing of approximately 5,000 titles.

Visit the PCP, Inc. Internet web site at **www.pcpbooks.net** for our inventory of approximately 5,000 titles.

Meditation on the Passion

By a Mistress of Novices
– Reprint of the 1922 edition –
305 pages, hardcover \$16. #88185

AMONG the many subjects proposed by the Church to us for mental prayer, there is none more profitable than the sublime mystery of Calvary. For even where everything is supremely holy—namely, in the actions of Him Who is the way, and the truth, and the life—the Passion is the culmination of sanctity, the highest exercise of virtue, the greatest cause of merit. Hence devout meditation on it produces most abundant fruit in souls. And for this reason, Saints and Doctors of the Church—those who are specially enlightened, those who spoke from experience, those who are our best guides in the spiritual life—with one accord praise and glorify it...

A Member of the Institute of the Blessed Virgin Mary, who, as Mistress of Novices for about thirty years, had gained great experience in the formation of religious as well as in the varied requirements of conventual life, proposed by means of this book to impart . . . the fruit of her own reflections on the Passion, which one so spiritual and enlightened was exceptionally fitted to compile.
