# Bishop Athanasius Schneider on the Two Prophets of Our Time

In a recent interview with LifeSiteNews, Bishop Athanasius Schneider described the action of the late Archbishop Marcel Lefebvre as “prophetic.”<sup>1</sup> This was not the first time that Bishop Schneider identified himself with the description of a Catholic leader of our time as a prophet. In 2017 Roberto de Mattei published his second book on Plinio Corrêa de Oliveira, this time with the description “Prophet of the Reign of Mary” in the subtitle, and Bishop Schneider wrote the preface. “*To spread ever more in souls and in human society the Kingdom of Christ through Mary*,” Bishop Schneider stated regarding Dr. Corrêa de Oliveira, “*this was the heart of his life and activity*.”

Why would Bishop Schneider view these two Catholic leaders of our time, one an archbishop and the other a layman, as prophets? It was Prof. de Mattei who showed the doctrinal link and historical context defining the apostolates of these two leaders, Archbishop Marcel Lefebvre and Plinio Corrêa de Oliveira. It is the Social Kingship of Our Lord Jesus Christ, a doctrine taught by Popes of the modern era in response to the growing secularism. As Roberto de Mattei wrote:

*“While liberal Catholicism denied the social kingship of Christ, all counter-revolutionary authors, faithful to papal teachings, see it as an indispensable ideal and principal remedy to the crisis of our time.... Archbishop Marcel Lefebvre summed it up with the formula **They Have Uncrowned Him**, the title of one of his last books, subtitled ‘From Liberalism to Apostasy: The Conciliar Tragedy’.... Plinio embraced this ideal from his youth, capturing its close connection with devotion to the Sacred Heart.”<sup>2</sup>*

The fact that Bishop Schneider has focused his attention on both an archbishop and a layman, as central traditional

Catholic leaders of our time, demonstrates the importance which the Church has given throughout her history to the collaborative roles of Church and State, and therefore of the clergy and the laity together. Dom Prosper Guéranger’s fifteen-volume work *The Liturgical Year* is a supreme example of this close unity between the spiritual and the temporal orders. While devoted directly to an explanation of the liturgy, it contains at the same time a description of the effects of the liturgy throughout history in political and social life – reflected above all in the lives of the saints venerated in the sanctoral cycle, along with the adoration of Our Lord as illustrated in the temporal cycle.

In volume 12, the third book of *The Time After Pentecost*, written by other monks of Solesmes after Dom Guéranger’s death, there is an important example of this unity between spiritual and temporal society:

*“...as has ever been the case since the day of Pentecost, the Holy Ghost was directing every event for the ultimate good of the Church. He it was who inspired the Normans to give solidity to their conquests by declaring themselves vassals of the Holy See, and thus fixing themselves on the apostolic rock.”<sup>3</sup>*

“Therefore, clamor insistently without tiring and weep with bitter tears in the privacy of your heart, imploring our Heavenly Father for the love of the Eucharistic Heart of my Most Holy Son to put an end to these ominous times by sending to this Church the prelate who will restore the spirit of her priests.”

– Our Lady of Good Success  
to Mother Mariana

## Plinio Corrêa de Oliveira: Prophet of the Reign of Mary by Roberto de Mattei

*From the Preface by Bishop Athanasius Schneider:*

“One cannot understand the public and social action of Professor Plinio unless one starts from his spiritual foundation. The consecration to Mary, lived in a total coherence, leads Mary to reign in the soul of her devotees. The reign of Mary in souls is therefore the beginning of the realization of the Kingdom of Christ in society. Plinio Corrêa de Oliveira has foretold an epoch of spiritual and visible radiance of the Church, which will correspond to the triumph of the Immaculate Heart of Mary announced by Our Lady at Fatima in 1917, and it is for this triumph that he fought until his last breath.

“Those who reap the spiritual and cultural heritage of Plinio Corrêa de Oliveira, and Prof. De Mattei is part of this, participate in the same mission, that of leading souls to the light of Jesus and of Mary in the darkness of the contemporary world.

“By encouraging the reading and the diffusion of this book, I wish to make mine also the program which it transmits to us....”

## The Mass: A Study of the Roman Liturgy

by Father Adrian Fortescue

"Essentially the Missal of Pius V is the Gregorian Sacramentary; that again is formed from the Gelasian book, which depends on the Leonine collection. We find the prayers of our Canon in the treatise de Sacramentis and allusions to it in the IVth century. So our Mass goes back, without essential change, to the age when it was first developed out of the oldest liturgy of all. It is still redolent of that liturgy, of the days when Caesar ruled the world and thought he could stamp out the faith of Christ, when our fathers met together before dawn and sang a hymn to Christ as to a God. The final result of our inquiry is that, in spite of unsolved problems, in spite of later changes, there is not in Christendom another rite so venerable as ours."

### The Liber Brevior

Originally published in 1954, the *Liber Brevior* (or shorter book) fills a need for those who don't need all the features of the large and more common *Liber Usualis*. Like the *Liber Usualis*, the *Liber Brevior* has all the ordinary parts and propers of the Sunday Masses, all the major feasts and most of the regular weekday feasts, but without the parts of the *Liber Usualis* pertaining to the Divine Office. This shorter book is ideal for small choirs, students and others interested only in singing Masses. With English rubrics. In this edition are added a supplement of six Masses not in the original printing, and a supplement to the Feast of the Immaculate Heart of Mary. At the end of the book are found simpler versions of the Graduals, Versicles of the Alleluia and Tracts, set to simplified Gregorian notation for those choirs not skilled enough to sing the regular melodies. Includes 2 ribbons, reinforced

durable Latex end sheets, red edges, Bible paper, sewn hard back; pages: xxxiv, 640, [126], 22 white edges \$38.00 #89031 red edges \$42 #88945

## The Truth of Papal Claims

### A Reply to "The Validity of Papal Claims" of F. Nutcombe Oxenham

by Cardinal Rafael Merry del Val

"Does Dr. Oxenham imagine that even today a Bishop might not expostulate with a Pope, who, in his judgment, might be acting in a way which was liable to mislead those under his own charge...? The hypothesis is quite conceivable, and in no way destroys or diminishes the supremacy of the Pope. And yet an individual Bishop does not occupy the exceptional position of S. Paul, a fellow-Apostle of the Prince of the Apostles. Even a humble nun, S. Catherine of Siena, expostulated with the reigning Pontiff, in her day, while fully acknowledging all his great prerogatives" [p. 74].

## Pope Leo XIII and the Prayer to St. Michael

by Kevin J. Symonds

From the foreword of  
Bishop Athanasius Schneider:

"In his book *Pope Leo XIII and the Prayer to St. Michael* Mr. Kevin Symonds presents a very careful and competent historical research about

the origin and the circumstances of the publication of the prayer to St. Michael....Furthermore he gives also a rich spiritual reflection on the Divine truth about the Holy Angels, the fallen angels and the reality and necessity of the spiritual battle.

Mr. Symonds' book is indeed very relevant for our times. May this book become widespread and raise to many Catholics—especially the clergy—a new awareness of the necessity to use the spiritual means which God and His Church have given us in order to fight against the infiltration and attacks of the evil spirits."

## School of Darkness

by Bella V. Dodd

"There was not a hint that despite the propaganda of hate unleashed against Germany and Italy, communist representatives were meeting behind the scenes to do business with Italian and German fascists to whom they sold matériel and oil. There was not a hint that the Soviet brass was meeting with German brass to redraw the map of Europe. There was no betrayal of these facts until one day they met openly to sign a contract for a new map of Europe - a treaty made by Molotov and Von Ribbentrop" (page 87).

### The Admirable Heart of Mary

by St. John Eudes

St. John Eudes reveals to his disciples how Our Lady's heart was the first-fruit of Her Divine Son's Passion, given to all of Mary's children, that it might be honored, cherished, invoked and, ultimately,

with that of her Son, reproduced in them. This is the essence of St. John Eudes' spirituality which spilled over into the foundation of many religious congregations, literary works and, of course, the practice of heroic virtue. This doctrine is foundation for the triumph of the Immaculate Heart of Mary and of Her Divine Son and is very pertinent for our time. 2006 381 pages, reprint of 1948 1st English ed. \$18.00 #55625

## ***HOLY COMMUNION***

***Communion in the Hand:  
Documents & History***

***Some Reflections on Spiritual Communion  
and the State of Grace***

**By Bishop Juan Rodolfo Laise**

**With a Preface by  
Bishop Athanasius Schneider**

From the Preface of Bishop Athanasius Schneider, September 15, 2014: *"The Church in our times has the urgent need of courageous voices in defense of her greatest treasure, which is the mystery of the Eucharist. Often today there arise voices in defense of the many human and temporal needs, but rare are the voices that*

*defend the Eucharistic Jesus. With his book Communion in the Hand His Excellency Most Rev. Juan Rodolfo Laise, Bishop Emeritus of San Luis (Argentina), has for several years raised his voice in defense of the Eucharistic Lord, showing with convincing argumentation the inconsistency of the modern practice of Communion in the hand from a historical, liturgical and pastoral perspective...I consider it an honor and joy to be able to present this book of the most worthy Bishop Juan Rodolfo Laise, "decus episcoporum Argentinae". I hope this prophetic voice... may enkindle readers with the same faith and the same love and contribute to the universal restoration of the more sacred and reverent manner of receiving the Lord's Body."*
