Roberto de Mattei's New Book

Plinio Corrêa de Oliveira: Prophet of the Reign of Mary

Preface by Bishop Athanasius Schneider

2019 xii 334 pages / sewn hardback \$20.00 #55068

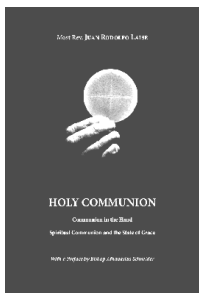

In the year after the death of Plinio Corrêa de Oliveira on October 3, 1995, Roberto de Mattei wrote a biography of the Brazilian Catholic leader, to which he appropriately gave the title *The Crusader of the 20th Century*. As a biographical work, it was followed in 2010 by a specifically historical work, destined to extend Prof. de Mattei's influence throughout the Catholic world as a prominent Catholic historian, and to provide historical perspective for the life of Plinio Corrêa de Oliveira.

That second work, relating to the history of the Church in our time, was *The Second Vatican Council: An Unwritten Story*, an account of the Council that included references to the role of Prof. Corrêa de Oliveira, who had worked during the first session of the Council assisting the bishops who formed the International Group of Fathers, the *Coetus Internationalis Patrum*. (See "Roberto de Mattei," continued on page 2.)

Pro-Abortion Catholic Politicians and

Bishop Juan Rodolfo Laise's Defense of the Holy Eucharist

HOLY COMMUNION

*Communion in the Hand: Documents & History
Some Reflections on Spiritual Communion and the State of Grace*

Preface by Bishop Athanasius Schneider

When Governor Andrew Cuomo of New York recently signed into law radical new abortion legislation, many began to talk about the possibility of excommunication. Asked about this consideration, Bishop Edward B. Scharfenberger of the diocese of Albany, the location of the New York State legislature, mentioned in an interview with Fox News that there are other forms of separation from the Church, citing the fact that certain Catholics, because of their actions, are not properly disposed to receive Communion. However, several years ago, before Bishop Scharfenberger became the Ordinary of the diocese of Albany, Governor Cuomo received Communion in the cathedral in Albany, causing widespread scandal, and leaving unanswered the question of how Bishop Scharfenberger's principle is applied. (See "Defense of the Holy Eucharist," continued on page 2)

Defense of the Holy Eucharist

– continued from page 1

In the adjacent diocese of Syracuse, Bishop Robert J. Cunningham responded to the concerns of many of his diocese – who were outraged by the action of their Catholic governor – in a letter dated February 11, and addressed to the faithful of the diocese. To justify a lenient attitude towards unfaithful Catholic politicians, Bishop Cunningham argued that “to alienate those who publicly disregard the sanctity of life is contrary to a Church that should always be open to receive the repentant sinner.” He argued at the same time that “no formal statement of excommunication is needed,” because “those involved in the passage of the recent legislation have in fact separated themselves from communion with Christ and His Church.” However, Bishop Cunningham does not explain what should take place when Catholic politicians ignore this principle, and receive Communion in spite of their illicit actions.

Because of the growing debate within the Church in recent years – regarding what constitutes worthiness to receive the Sacrament of the Holy Eucharist – Bishop Juan Rodolfo Laise has recently added a new section to his earlier book, previously titled *Communion in the Hand: Documents and History*. The Church’s laws upholding the traditional practice of Communion on the tongue safeguard the reverence due to the Holy Eucharist in the external rite. But even more important than the external rite is the internal disposition of the one receiving. For this reason Bishop Laise’s original book has been expanded to add a second section, following the first section on Communion in the hand, and devoted to this theme: “*Some Reflections on Spiritual Communion and the State of Grace.*”

Whether it is a question of the right to life, violated by Catholic politicians who support pro-abortion legislation – or the observance of commandments of the Decalogue and the laws of the Church governing the Sacrament of Matrimony – not only is the state of grace required to receive Communion, but also a serious life of virtue. For this reason the new edition of Bishop Laise’s book, *Holy Communion*, has now become a compendium of doctrine and spirituality, written in defense of the Sacrament of the Holy Eucharist.

Roberto de Mattei

– continued from page 1

The present work represents the third in this series of books in which the author has described the influence and role of the man addressed by friends and collaborators as Dr. Plinio. It is therefore part of a trilogy of exhaustive research, bringing to light the crisis that the Church has confronted in modern times by emphasizing the historical roles of important figures who have led her defense. Prominent among them was the subject of the present work.

Beginning in Part I with an analysis of “The Philosophical System,” Prof. de Mattei shows Dr. Plinio not only as a faithful disciple of St. Thomas Aquinas, but also as one who uniquely applied St. Thomas’s principles to the crisis confronting the Church in our time. Those principles are rooted in a realism that opposes the modern ideologies, in the hierarchical order of creation that constitutes its sacrality, and which is therefore the opposite of the egalitarian anti-metaphysics characterizing the Revolution against Christian Civilization.

Part II of this study analyzes the spirituality that is the foundation of Dr. Corrêa de Oliveira’s life and work. It is a spirituality that contemplates the hierarchy and sacrality of creation leading ultimately to God Himself. Rooted in the love of God as the ultimate Good, it is therefore opposed to all evil, and therefore inspires a spirit of combat that historically found its expression in Chivalry. Finally, this spirituality is Marian, for it is Our Lady who manifests this hierarchy, this sacrality and combativity to a supreme degree.

With these foundational principles, Prof. De Mattei analyzes in Part III the philosophy and theology of history to which the thought and spirituality of Plinio Corrêa de Oliveira logically lead. Describing the historical revolt against Christian Civilization, Dr. Plinio gave it the name by which Catholics in the past had already called it – the Revolution. Initially analyzing the Three Revolutions against the Church and Christian society, Dr. Corrêa de Oliveira ultimately showed how these led to the Fourth and Fifth Revolutions and ultimately to the cult of the devil.

Finally, in Part IV, Prof. de Mattei shows that the triumph of the Immaculate Heart, promised by Our Lady of Fatima, inspired the lifelong work of Dr. Plinio, and he explains why it merits giving Dr. Plinio the name suggested by the subtitle of this work – *Prophet of the Reign of Mary*. His doctrinal and historical arguments, deeply rooted in Catholic Tradition, amply justify the recommendation given to this book by Bishop Athanasius Schneider, in His Excellency’s Preface to the book.

ORDERING INFORMATION

Each book is identified by name, author, year published, number of pages (p) and price. "IL" stands for illustrated and "pb" for paperback where applicable. Condition of each book is identified as follows: (E) Excellent, (VG) Very Good, (G) Good, (F) Fair, (P) Poor. "Bi" and "Pg" refer to binding and pages respectively.

Because we specialize in used and out-of-print books, we frequently have only one or two copies of many of our titles. Refunds are made for books that are no longer available. Books reserved by telephone are held for our customers, and then are mailed as soon as possible after receipt of payment. Books for which payment has not been received after fifteen days are made available for sale to other customers.

Books in Print: In addition to our used books we also offer a

selection of new books, primarily reprints of formerly out-of-print works. New books are listed in our section "Books in Print." Discounts on quantity orders (applies only to books in print, not to used and out-of-print books) are available: 10% on orders of three or more copies, 20% for ten or more. Larger discounts are available to bookstores.

Printed Catalog & Web Site: Our printed catalog offers many of our newly acquired titles, while our web site contains much of the cataloged inventory that does not appear in the most recent printed catalog. We invite you to examine each of these inventory lists – the printed catalog because it offers the most recent acquisitions, and the web site because of its more extensive listing of approximately 5,000 titles.

Visit the PCP, Inc. Internet web site at www.pcpbooks.net for our inventory of approximately 5,000 titles.

Pope Leo XIII and the Prayer to St. Michael

by Kevin J. Symonds

From the Foreword of **Bishop Athanasius Schneider**:

“In his book *Pope Leo XIII and the Prayer to St. Michael* Mr. Kevin Symonds presents a very careful and competent historical research about the origin and the circumstances of the publication of the prayer to St. Michael...Furthermore he gives also a rich spiritual reflection on the Divine truth about the Holy Angels, the fallen angels and the reality and necessity of the spiritual battle. Mr. Symonds’ book is indeed very relevant for our times. May this book become widespread and raise to many Catholics—especially the clergy—a new awareness of the necessity to use the spiritual means which God and His Church have given us in order to fight against the infiltration and attacks of the evil spirits.”

The Mass: A Study of the Roman Liturgy

Father Adrian Fortescue

2007 (first ed. 1912) reprint of 1930 ed. 429 pages hardback dust jacket \$28 #55662

A definitive English-language work on the Roman Rite of the Mass

“Essentially the Missal of Pius V is the Gregorian Sacramentary; that again is formed from the Gelasian book, which depends on the Leonine collection. We find the prayers of our Canon in the treatise *de Sacramentis* and allusions to it in the IVth century. So our Mass goes back, without essential change, to the age when it was first developed out of the oldest liturgy of all. It is still redolent of that liturgy, of the days when Caesar ruled the world and thought he could stamp out the faith of Christ, when our fathers met together before dawn and sang a hymn to Christ as to a God. The final result of our inquiry is that, in spite of unsolved problems, in spite of later changes, there is not in Christendom another rite so venerable as ours.”

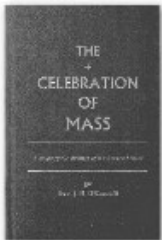

“... the Roman Missal promulgated by St. Pius V... [was] never abrogated...”

– Pope Benedict XVI, motu proprio *Summorum Pontificum*, July 7, 2007

The Celebration of Mass:

A Study of the Rubrics of the Roman Missal

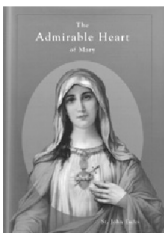

Father J. B. O’Connell

In 2006 we came out with the first reprint of Father J. B. O’Connell’s famous work, the fourth edition (1964) of *The Celebration of Mass: A Study of the Rubrics of the Roman Missal*. This book gives the rules to be followed in celebrating the traditional rite of the Mass in all its forms: low Mass, solemn high Mass, or the various forms of the Requiem Mass. This basic manual or textbook not only teaches the correct way to celebrate the traditional Mass, but also includes comments on the nature of the liturgy, liturgical law, the calendar, vestments, and a multitude of related topics. Moreover, laymen may have an interest in discovering the underpinnings of the Mass and what is required of the celebrant. In this way they may have a better appreciation of the priest and his action when he offers the Sacrifice of the Mass. This sewn hardback reprint has a useful ribbon marker that can help locate the page to be studied. Also, the hefty size of this book, with its 622 pages, should provide hours of reflective study to those who are serious about why the priest should be as exact as he can, in following the rules for ministering at the altar of God. The Admirable Heart of Mary

St. John Eudes

St. John Eudes, Apostle of Jesus and Mary, reveals to his disciples how Our Lady’s heart was the first-fruit of Her Divine Son’s Passion, given to all of Mary’s children, that it might be honored, cherished, invoked and, ultimately, with that of her Son, reproduced in them. This is the essence of St. John Eudes’ spirituality which spilled over into the foundation of many religious congregations, literary works and of course, the practice of heroic virtue while on earth. This spiritual doctrine, which ultimately contributes to the Triumph of the Immaculate Heart of Mary and of Her Divine Son, Jesus Christ, is very pertinent for our time. 2006 381pages, reprint of 1948 1st English ed. \$18.00 #55625

A DICTIONARY OF THE PSALTER

Containing the Vocabulary of the Psalms,
Hymns, Canticles, & Miscellaneous Prayers of
the Breviary Psalter

Based on the Latin Vulgate Psalter with English definitions &
explanations / 2007 299 pages (reprint of 1928 ed) hardback /
preface by Rt. Rev John B. Petersen \$28.00 #55661

Covering such preliminary topics as “English Catholic Version of the Psalter,” “Latin Versions of the Psalter,” “The Latinity of the Vulgate Psalter,” and “How the Psalms are Numbered,” true to form, the dictionary goes on to define and decline each Latin word used in the Vulgate Psalter (as used in the traditional Roman Breviary), its English parallel, derivative, and cites where the word was used and its context.

Manual of Episcopal Ceremonies

Based on the Caeremoniale Episcoporum, Decrees of the Sacred Congregation of Rites and Approved Authors [2 vols in 1] – by Rt Rev. Aurelius Stehle, OSB

“Curiously enough, it has been my good fortune to use Archabbot Aurelius Stehle’s **MANUAL OF EPISCOPAL CEREMONIES** in a variety of roles. First as a sacristan, then as a master of ceremonies, and finally as a bishop, I have discovered myself seeking the direction of its pages. Never have I been disappointed.

“For the sacristan, its careful listing immediately before each ceremony of the preparations required is invaluable. The admirable and orderly fashion of this listing serves as an infallible guide to all, whose duty it is to set the scene and arrange the background, against which any

impressive ceremony moves.

“For the master of ceremonies, its complete outline of the ceremony itself, coupled with its special notes for each participant, is priceless. This arrangement, giving in a glance the ceremony in its totality as well as its respective parts,

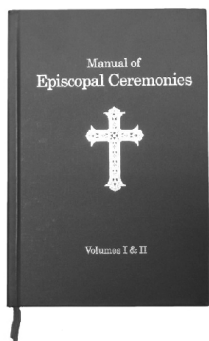

enables the master to set up, well in advance, each ceremonial situation. This assures a reverent yet continuing execution of the ceremony, deeply appreciated by all the participants within and without the sanctuary.

“For the bishop, its wealth of detail, pertinent to the ceremonial life he finds so much a part of his office, makes this work an absolute ‘must’ for his library. It is always reliable for the answer to problems related to ceremonies. Its careful use assures the bishop and his retinue at the Altar, that they are performing the Divine Liturgy according to the strict mind of the Church. This is no small consolation to those who love the Church, and try earnestly to live its life of worship.

“A number of revisions, made necessary by the latest Roman decrees, are included in this present edition, the fifth in an enviable line. These represent a labor of love on the part of the revisor, Father Emmeran Rettger

“Fortunately too in the revision, the mode and the tone of the original work remain. These have combined to make the original a classic in its field. Like the saintly Archbishop Canevin, who recommended the first edition, I urge ‘all who are interested in having ceremonies conducted according to the mind of the Church’ to consult and study this present edition. I am confident the result will be a thrilling experience for all who love to offer with the Church the Holy Sacrifice in the magnificent setting of the Pontifical Mass.”

The Liber Usualis

1963 Edition according to the Rubrics of 1962

Latin Chant with Gregorian Notation
English Rubrics and Instructions

The last edition published for the English-speaking world with Gregorian notation and English rubrics. Follows the 1962 rubrics with proper feasts of the USA. With supplement to the Feast of the Immaculate Heart of Mary for votive Mass during Lent or Paschal season. Cream Bible paper, Skivertex cover, Latex end sheets for a durable binding and long-lasting use; Smyth sewn, red edges. The spine and front cover are stamped with the title in medieval script. Includes 6 colored ribbons; 2,336 pages, 7.5" x 5" x 2" \$76.00 + P&H #49347

The Liber Brevior

Originally published in 1954, the *Liber Brevior* (or shorter book) fills a need for those who don't need all the features of the large and more common *Liber Usualis*. Like the *Liber Usualis*, the *Liber Brevior* has all the ordinary parts and propers of the Sunday Masses, all the major feasts and most of the regular weekday feasts, but without the parts of the *Liber Usualis* pertaining to the Divine Office. This shorter book is ideal for small choirs, students and others interested only in singing Masses. With English rubrics. In this edition are added a supplement of six Masses not in the original printing, and a supplement to the Feast of the Immaculate Heart of Mary. At the end of the book are found simpler versions of the Graduals, Versicles of the Alleluia and Tracts, set to simplified Gregorian notation for those choirs not skilled enough to sing the regular melodies. Includes 2 ribbons, reinforced durable Latex end

sheets, red edges, Bible paper, sewn hard back; pages: xxxiv, 640, [126], 22. \$34.00 + P&H # 89031

Holy Week Gregorian Chant Book: ***Liber Hebdomadae Sanctae Cantus Gregoriani***

Since the *Liber Brevior* was published before the 1956 Holy Week changes became official, we have printed a companion volume, the *Liber Hebdomadae Sanctae*, or the *Holy Week Gregorian Chant Book*, which has all the ceremonies of Holy Week, including Tenebrae: 1 ribbon, white edges, sewn hard back. 244 pages \$16.00 + P&H # 55737
