BLESSED BE GOD

THIS IMMENSELY POPULAR CATHOLIC PRAYER BOOK went through several editions between 1925 to 1961. We have reprinted it five times, the last two of which have been as close as possible to its original specifications. This edition of our reprint INCLUDES such hi-quality features as a bonded leather flex cover, rounded corners, sewn binding, gilded page edges, a marking ribbon.

This ALL-TIME CLASSIC prayer book comes with prayers and devotions CHERISHED BY GENERATIONS OF CATHOLICS! Along with the usual array of morning and evening prayers, litanies, novenas, etcetera, also included are more rare devotions for Holy Days, Special Feasts, Holy Week, Ember and Week Days, Seasons and Months of the Year, and more.

For EUCHARISTIC DEVOTION, an entire collection of prayers exists including a Holy Hour and the famous Forty Hours’ Adoration once practiced in every parish church!

This incredible POCKET-SIZE PRAYER BOOK also includes the Ordinary texts (in Latin and English), Sunday Epistles and Gospels (English only), Requiem and Nuptial Mass proper (in Latin and English) FOR THE TRADITIONAL LATIN MASS, and even Sunday Vespers and Benediction of the Blessed Sacrament. Great for school children!

Half the price of a daily missal, many adults prefer the Blessed Be God as their missal. Decorated throughout with symbolic lithographs, the hi-quality scan of this book’s text matches that of the original. We’ve even ensured that this reprint is current with the traditional Missale Romanum by inserting an updated Table of Moveable Feasts (good till 2041). 754 pages, 6 1/16" x 3 1/4" (spine thickness is just under 5/8") #57722. Yours for just $34.00

ORDERING INFORMATION

Each book is identified by name, author, year published, number of pages (p) and price. "IL" stands for illustrated and "pb" for paperback where applicable. Condition of each book is identified as follows: (E) Excellent, (VG) Very Good, (G) Good, (F) Fair, (P) Poor. "Bi" and "Pg" refer to binding and pages respectively.

Because we specialize in used and out-of-print books, we frequently have only one or two copies of many of our titles. Refunds are made for books that are no longer available. Books reserved by telephone are held for our customers, and then are mailed as soon as possible after receipt of payment. Books for which payment has not been received after fifteen days are made available for sale to other customers.

Books in Print: In addition to our used books we also offer a selection of new books, primarily reprints of formerly out-of-print works. New books are listed in our section "Books in Print." Discounts on quantity orders (applies only to books in print, not to used and out-of-print books) are available: 10% on orders of three or more copies, 20% for ten or more. Larger discounts are available to bookstores.

Printed Catalog & Web Site: Our printed catalog offers many of our newly acquired titles, while our web site contains much of the cataloged inventory that does not appear in the most recent printed catalog. We invite you to examine each of these inventory lists—the printed catalog because it offers the most recent acquisitions, and the web site because of its more extensive listing of approximately 5,000 titles.

The Liber Brevior
Originally published in 1954, the Liber Brevior (or shorter book) fills a need for those who don’t need all the features of the large and more common Liber Usualis. Like the Liber Usualis, the Liber Brevior has all the ordinary parts and propers of the Sunday Masses, all the major feasts and most of the regular weekday feasts, but without the parts of the Liber Usualis pertaining to the Divine Office. This shorter book is ideal for small choirs, students and others interested only in singing Masses. With English rubrics. In this edition are added a supplement of six Masses not in the original printing, and a supplement to the Feast of the Immaculate Heart of Mary. At the end of the book are found simpler versions of the Graduals, Versicles of the Alleluia and Tracts, set to simplified Gregorian notation for those choirs not skilled enough to sing the regular melodies. Includes 2 ribbons, reinforced durable Latex end sheets, red edges, Bible paper, sewn hard back; pages: xxxiv, 640, [126], 22. $34.00 + P&H #89031

Holy Week Gregorian Chant Book
Since the Liber Brevior was published before the 1956 Holy Week changes became official, we have printed a companion volume, the Liber Hebdomadae Sanctae, or the Holy Week Gregorian Chant Book, which has all the ceremonies of Holy Week, including Tenebrae: 1 ribbon, white edges, sewn hard back. 244 pages $16.00 + P&H #55737

Communion in the Hand: Documents & History

Some Reflections on Spiritual Communion and the State of Grace

By Bishop Juan Rodolfo Laise

From the Preface of Bishop Athanasius Schneider, September 15, 2014: “The Church in our times has the urgent need of courageous voices in defense of her greatest treasure, which is the mystery of the Eucharist. Often today there arise voices in defense of the many human and temporal needs, but rare are the voices that defend the Eucharistic Jesus. With his book Communion in the Hand, His Excellency Most Rev. Juan Rodolfo Laise, Bishop Emeritus of San Luis (Argentina), has for several years raised his voice in defense of the Eucharistic Lord, showing with convincing argumentation the inconsistency of the modern practice of Communion in the hand from a historical, liturgical and pastoral perspective...I consider it an honor and joy to be able to present this book of the most worthy Bishop Juan Rodolfo Laise, “deus episcoporum Argentiniae”. I hope this prophetic voice... may enkindle readers with the same faith and the same love and contribute to the universal restoration of the more sacred and reverent manner of receiving the Lord’s Body.”

The Mass: A Study of the Roman Liturgy
by Father Adrian Fortescue

Essentially the Missal of Pius V is the Gregorian Sacramentary; that again is formed from the Gelasian book, which depends on the Leonine collection. We find the prayers of our Canon in the treatise de Sacramentis and allusions to it in the 11th century. So our Mass goes back, without essential change, to the age when it was first developed out of the oldest liturgy of all. It is still redolent of that liturgy, of the days when Caesar ruled the world and thought he could stamp out the faith of Christ, when our fathers met together before dawn and brought the spiritual Christ to a God. The final result of our inquiry is that, in spite of unsolved problems, in spite of later changes, there is not in Christendom another rite so venerable as ours.

The Truth of Papal Claims

A Reply to "The Validity of Papal Claims" of F. Nutombe Oxenham

by Cardinal Rafael Merry del Val

"Does Dr. Oxenham imagine that even today a Bishop might not expositulate with a Pope, who, in his judgment, might be acting in a way which was liable to mislead those under his own charge...? The hypothesis is quite conceivable, and in no way destroys or diminishes the supremacy of the Pope. And yet an individual Bishop, according to the constitution of S. Paul, a fellow-Apostle of the Prince of the Apostles. Even a humble nun, S. Catherine of Siena, expostulated with the reigning Pontiff, in her day, while fully acknowledging all his great prerogatives" [p. 74].

There was no betraying of these facts until one day they met openly to sign a contract for a new map of Europe – a treaty made by Molotov and Von Ribbentrop” (page 87).
