BLESSED BE GOD

THIS IMMENSELY POPULAR CATHOLIC PRAYER BOOK went through several editions between 1925 to 1961. We have reprinted it five times, the last two of which have been as close as possible to its original specifications. This edition of our reprint **INCLUDES** such hi-quality features as a bonded leather flex cover, rounded corners, sewn binding, gilded page edges, a marking ribbon.

This **ALL-TIME CLASSIC** prayer book comes with prayers and devotions **CHERISHED BY GENERATIONS OF CATHOLICS!** Along with the usual array of morning and evening prayers, litanies, novenas, *et cetera*, also included are more rare devotions for Holy Days, Special Feasts, Holy Week, Ember and Week Days, Seasons and Months of the Year, and more.

For **EUCCHARISTIC DEVOTION**, an entire collection of prayers exists including a Holy Hour and the famous **Forty Hours' Adoration once practiced in every parish church!**

This incredible **POCKET-SIZE PRAYER BOOK** also includes the Ordinary texts (in Latin and English), Sunday Epistles and Gospels (English only), Requiem and Nuptial Mass propers (in Latin and English) **FOR THE TRADITIONAL LATIN MASS, and even Sunday Vespers and Benediction of the Blessed Sacrament.** Great for school children!

Half the price of a daily missal, many adults prefer the *Blessed Be God* as their missal. **Decorated throughout with symbolic lithographs**, the hi-quality scan of this book's text matches that of the original. We've even ensured that this reprint is current with the traditional *Missale Romanum* by inserting an updated Table of Moveable Feasts (good till 2041). 754 pages, 6 1/16" x 3 1/4" (spine thickness is just under 5/8") #55722. **Yours for just \$34.00**

The Admirable Heart of Mary

by St. John Eudes

St. John Eudes reveals to his disciples how Our Lady's heart was the first-fruit of Her Divine Son's Passion, given to all of Mary's children, that it might be honored, cherished, invoked and, ultimately, with that of her Son, reproduced in them. This is the essence of St. John Eudes' spirituality which spilled over into the foundation of many religious congregations, literary works and, of course, the practice of heroic virtue. This doctrine is foundation for the triumph of the Immaculate Heart of Mary and of Her Divine Son and is very pertinent for our time. 2006 381 pages, reprint of 1948 1st English ed. \$18.00 #55625

The Liber Brevior

Originally published in 1954, the *Liber Brevior* (or shorter book) fills a need for those who don't need all the features of the large and more common *Liber Usualis*. This shorter book is ideal for small choirs, students and others interested only in singing Masses. With English rubrics. In this edition are added a supplement of six Masses not in the original printing, and a supplement to the Feast of the Immaculate Heart of Mary. At the end of the book are found simpler versions of the Graduals, Versicles of the Alleluia and Tracts, set to simplified Gregorian notation for those choirs not skilled enough to sing the regular melodies. Includes 2 ribbons, reinforced

durable Latex end sheets, red edges, Bible paper, sewn hard back; pages: xxxiv, 640, [126], 22. \$34.00 + P&H # 89031

HOLY COMMUNION

Communion in the Hand: Documents & History

Some Reflections on Spiritual Communion and the State of Grace

By Bishop Juan Rodolfo Laise

With a Preface by Bishop Athanasius Schneider

From the Preface of Bishop Athanasius Schneider, September 15, 2014: *"The Church in our times has the urgent need of courageous voices in defense of her greatest treasure, which is the mystery of the Eucharist. Often today there arise voices in defense of the many human and temporal needs, but rare are the voices that defend the Eucharistic Jesus. With his book Communion in the Hand His*

Excellency Most Rev. Juan Rodolfo Laise, Bishop Emeritus of San Luis (Argentina), has for several years raised

his voice in defense of the Eucharistic Lord, showing with convincing argumentation the inconsistency of the modern practice of Communion in the hand from a historical, liturgical and pastoral perspective...I consider it an honor and joy to be able to present this book of the most worthy Bishop Juan Rodolfo Laise, "decus episcoporum Argentinae". I hope this prophetic voice... may enkindle readers with the same faith and the same love and contribute to the universal restoration of the more sacred and reverent manner of receiving the Lord's Body."

Plinio Corrêa de Oliveira: Prophet of the Reign of Mary

by Roberto de Mattei

From the Preface by

Bishop Athanasius Schneider:

"One cannot understand the public and social action of Professor Plinio unless one starts from

his spiritual foundation. The consecration to Mary, lived in a total coherence, leads Mary to reign in the soul of her devotees. The reign of Mary in souls is therefore the beginning of the realization of the Kingdom of

Christ in society. Plinio Corrêa de Oliveira has foretold an epoch of spiritual and visible radiance of the Church, which will correspond to the triumph of the Immaculate Heart of Mary announced by Our Lady at Fatima in 1917, and it is for this triumph that he fought until his last breath.

"Those who reap the spiritual and cultural heritage of Plinio Corrêa de Oliveira, and Prof. De Mattei is part of this, participate in the same mission, that of leading souls to the light of Jesus and of Mary in the darkness of the contemporary world.

"By encouraging the reading and the diffusion of this book, I wish to make mine also the program which it transmits to us...."

Essay on Catholicism, Liberalism & Socialism: Considered in Their Fundamental Principles By Juan Donoso Cortés

2014 - xx & 236 pages, hardback \$16.00 #63282

From his 1849 address to the Spanish Parliament:

"The cause of your errors. Gentlemen. lies in your ignorance of the direction which civilization and the world are taking. You believe that civilization and the world are advancing. when civilization and the world are regressing. The world is taking great strides towards the constitution of the most gigantic despotism which men have ever known.

"There are only two possible forms of control: one internal and the other external: religious control and political control. They are of such a nature that when the religious barometer rises, the barometer of control falls and likewise, when the religious barometer falls, the political barometer, that is political control and tyranny, rises."

Pope Leo XIII and the Prayer to St. Michael

by Kevin J. Symonds

From the foreword of
Bishop Athanasius Schneider:

"In his book *Pope Leo XIII and the Prayer to St. Michael* Mr. Kevin Symonds presents a very careful and competent historical research about the origin and the circumstances of the publication of the prayer to St. Michael....Furthermore he gives also a rich spiritual reflection on the Divine truth about the Holy Angels, the fallen angels and the reality and necessity of the spiritual battle.

Mr. Symonds' book is indeed very relevant for our times. May this book become widespread and raise to many Catholics—especially the clergy—a new awareness of the necessity to use the spiritual means which God and His Church have given us in order to fight against the infiltration and attacks of the evil spirits."

The Mass: A Study of the Roman Liturgy

by Father Adrian Fortescue

"Essentially the Missal of Pius V is the Gregorian Sacramentary; that again is formed from the Gelasian book, which depends on the

Leonine collection. We find the prayers of our Canon in the treatise de Sacramentis and allusions to it in the IVth century. So our Mass goes back, without essential change, to the age when it was first developed out of the oldest liturgy of all. It is still redolent of that liturgy, of the days when Caesar ruled the world and thought he could stamp out the faith of Christ, when our fathers met together before dawn and sang a hymn to Christ as to a God. The final result of our inquiry is that, in spite of unsolved problems, in spite of later changes, there is not in Christendom another rite so venerable as ours."

A Reply to "The Validity of Papal Claims" of F. Nutcombe Oxenham

by Cardinal Rafael Merry del Val

"Does Dr. Oxenham imagine that even today a Bishop might not expostulate with a Pope, who, in his judgment, might be acting in a way which was liable to mislead those under his own charge...? The hypothesis is quite conceivable, and in no way destroys or diminishes the supremacy of the Pope. And yet an individual Bishop does not occupy the exceptional position of S. Paul, a fellow-Apostle of the Prince of the Apostles. Even a humble nun, S. Catherine of Siena, expostulated with the reigning Pontiff, in her day, while fully acknowledging all his great prerogatives" [p. 74].

School of Darkness

by Bella V. Dodd

“There was not a hint that despite the propaganda of hate unleashed against Germany and Italy, communist representatives were meeting behind the scenes to do business with Italian and German fascists to whom they sold matériel and oil. There was not a hint that the Soviet brass was meeting with German brass to redraw the map of Europe. There was no betrayal of these facts until one day they met openly to sign a contract for a new map of Europe – a treaty made by Molotov and Von Ribbentrop” (page 87).
